

JUNE 2023

OUR NEWS

Psalm 37 v 23-24

"The LORD makes firm the steps of the one who delights in him; though he may stumble, he will not fall, for the LORD upholds him with his hand."

Church Family Picnic

The jumping castle was up, fires were burning and the smell of braai meat filled the air as the children played soccer and climbed the jungle gym. Wors rolls, followed by ice-creams, were certainly enough for smiles all round! This was a fantastic time to rest, socialise and enjoy watching the kids having a blast!

WIDE OPEN SPACES

Living on a large property away from the busy city life allows for many outdoor activities like riding bikes, gokarting, skatingboarding, soccer matches and more. We even have nut and fruit trees that the kids love to climb and enjoy their harvest!

Mehndi & Art

A creative day of Mehndi and Art was organised by Dr Swart and her friends. Not only was the time together fun, entertaining and colourful but we were spoilt with the most delicious briyani for lunch!

SCHOOL ATHLETICS

Our Preschool learners enjoyed a wonderful fun sports day that included sack races, water races, hoop races and so much more. Even some of the parents participated- much to the kids' delight! The junior and senior phase learners hosted separate sports days with the school's Long jump record being broken with a whopping 5.12m jump and the longest shotput throw of the day being just over 8m!

LITTLE HELPERS

SCHOOLS OUT

The WINTER break started out with fine, sunny days filled with much outdoor time. The kids picked and ate sugar cane, brought me plenty flowers from walks, played out door games, ran races and even held their very own singing contest. We even hosted scholars, who require community service hours for Life Orientation, for a morning of fork and finger painting. Do look out for more holiday updates on Facebook and in our July News.

A PERSONAL NOTE

Hello friends

Our kiddos have been enjoying a very fulfilled and productive winter break and we are gearing up for the school term 3.

Once again we express our gratitude to you for blessing our home with groceries, baby care supplies, clothing, equipment and more. We rely heavily on the support of our community and stand in awe at just how our every need is met in one way or another. Each child received a pair of warm slippers just in time for the cold spell sent our way by the snow in the Berg! Thank you St Patrick's church Empangeni (young adults) for these!

The new soak away was installed and the R39,000 invoice is due. The window maintenance (sanding and varnishing) is underway. Next up will be attending to the storm water drainage and painting the interior walls of each home. To be a part of these projects please contact us; every gift will be so appreciated!

Our Christmas Campaign is to gift each child with a new set of linen and to have matching sets in each bedroom. We have early so each family, person or group/ company has time to save up. If you missed the promotional flyers and are keen to know more please reach out to me on 065 804 9385.

Greetings and love
Loressa, children and staff
